...A MEMORABLE EXPERIENCE!

ELEPHANT SUMMER TREAT 2014 IN RETROSPECT

Our excellent ELEPHANT Summer treat took off on the 4th August 2014 and ran through 29th August, 2014. Our curriculum featured academics, social and humanitarian activities. The enrolment was very encouraging with an impressive daily attendance.

The curriculum was carefully enriched to give a comprehensive opportunity to the participants for skill and knowledge acquisition as well as in other areas like, Talent Hunts, Arts and Crafts, Cookery, Character Development, Good Home Management Skills, Learning Vernacular, to mention but a few.

These made our children to be fully equipped with the ability to care for others and to appreciate the art of giving back to the society in the area of Community Development Service (CDS) at the Federal Fire Service station in Gwarinpa. The experience can never be forgotten in a hurry!

We enjoin our dear parents to please keep a date with us next summer. We use this medium to express our appreciation to all our generous parents for their various contributions to make the 2014 Summer Treat a huge success. We acknowledge also the parents who supported the in-house picnic held in the school premise. May the Almighty bless and reward you all abundantly.

The parameters are as follows; Quality Assurance Assessment (Primary), Two Continuous Assessment Tests (Secondary), Term Project, and Term Examination. These include adequate training of LWA staff on EVD, the use of infrared temperature thermometer, auto hand sanitizer machines, the display of tips on EVD on strategic places in the school, sensitization/creation of in-depth awareness on the part of our scholars on the concept of EVD and precautionary measures to take, etc. Parents are required to please provide personal hand sanitizers for their ward(s) and also, do more by ensuring your wards maintain a high level of hygiene everywhere they go. In the strength of the above, we wish to notify you that the temperature of all parents, staff and scholars will be checked at the point of entry into the school buses and the school compound.
