Our Esteemed Parents and Guardians,

We bring you Seasons Greetings in the name of the Almighty God. We appreciate God for His boundless love, care, mercy and favour for the successes recorded as we struggle to consolidate the gains of past efforts to sustain excellence and link our children to greater heights. We also express our profound appreciation to our noble parents for the confidence reposed in us in building the enviable future of your kids. Thank you!

ACADEMICS;

The term was remarkable and eventful; our scholars had the best of all planned activities for the term despite the breaks.

In our unrelenting effort to sustain our vision and motto, our core values were integrated into our teaching methods and other activities based on the National Philosophy, Goals, Values and Aspirations of education. Our curriculum is broad and dynamic to ensure the production of globally competitive products.

PROJECTS;

We wish to appreciate the amazing efforts of our parents who ensured that our scholars attempted all Home-Based projects. We enjoin those few parents who were found wanting in this regard to please do much better next term. The deadline for the submission of Home-based projects for second term is 19th February, 2015. We appeal to our parents to please provide the scholars with the

materials and resources necessary for the completion of their projects. Find 2nd term project topics as enclosed.

EXCURSION;

This term's excursions were learning-driven and fun-filled! Our Scholars visited National Space Research and Development Agency, COOL WAZOBIA FM and Games City. Their experiences would not be forgotten in a hurry! Next term promises to be better!

PRIMARY PUPILS AT COOL WAZOBIA FM

This term's Open Day was a huge success as many parents turned out to assess their children's holistic performance. We thank those who came and encourage the few who could not make it to please keep a date with us next term. Also, LWA is always open to constructive criticisms and suggestions that can take the school to her next level.

COMMUNICATION BOOK;

We treasure partnership with our parents to keep our scholars on track for excellence. The use of communication book as a link between the school and home will continue next term. Your response to our observations and issues raised will make a remarkable impact in ensuring that we offer you only the very best. We plead once again that you endorse the relevant portion of the book on a daily basis.

UNIFORM/HAIR DO/GENERAL APPEARANCE;

The school uniform is one of the identities of the school that defines her image! It is also the dignity of the scholars. As part of standard and quality assurance of the school, students/pupils are expected to turn out to school well groomed at all times. No scholar should be seen wearing sport wear on non-sport days.

On the strength of this, we enjoin our parents to please check and replace faded, tattered and torn uniforms in order to build up self-confidence in our children.

Furthermore, school shoes are covered black shoe with no heels and white canvas for sports days. Approved socks are plain white ankle (Good quality socks are available in the school store).

PRE-SCHOOL EXCURSION TO GAMES CITY.

CHARACTER DEVELOPMENT/ DISCIPLINE;

In Lordswill Academy, we have great passion for good Character Development. We frown seriously at anti-social behaviours, bullying, etc which hinders the growth of a peaceful and conducive environment for learning. However, we have been able to establish that some of our children display these traits. Our scholars were drilled this term on different topics to entrench sound human relationships as well as problem-solving skills during our mentoring programme. We use this medium to appeal to our parents to help counsel and pray for our children, in particular, those of them that have been found in this untoward behaviour to desist henceforth. We also urge our parents to complement the school's effort in this regard, observe your child during this holiday and effect necessary corrections.
